

STATEMENT OF SPECIAL INSPECTIONS

Project Address

Permit Number

This Statement of Special Inspections is submitted as a condition for permit issuance in accordance with Section 1704 of the 2000 International Building Code, adopted by reference and amended by the Virginia Uniform Statewide Building Code. This statement includes a schedule of special inspections applicable to this project as well as the name of the Special Inspector, and identity of other testing laboratories or agencies intended to be retained for conducting these inspections. The Special Inspector shall keep records of all inspections, and shall furnish inspection reports to the Code Official and to the Structural Engineer or Architect of Record. All discrepancies shall be brought to the immediate attention of the contractor for correction. If the discrepancies are not corrected, the discrepancies shall be brought to the attention of the Code Official and the Structural Engineer or Architect of Record. Interim reports shall be submitted to the Code Official and to the Structural Engineer or Architect of Record monthly, unless more frequent submissions are requested by the Code Official.

The special inspections required for this project as referenced in this Statement of Special Inspections submitted for permit, have been completed. Work required to be inspected is substantially in compliance with requirements in the International Building Code and match the approved construction documents. All discrepancies that were outstanding have been corrected. (Attach field notes to complete the description of corrections.) Interim reports submitted prior to this final report, and numbered ____ to ____ form a basis for, and are to be an integral part of this final report.

Respectfully submitted,
